I can also make larger sizes and other variations of portraits. E-mail me and tell me what you wish for, and I will give you a price for that.

The portraits are delivered mounted in a white acid free board with protective paper on the back, ready to put in a frame with glass (not included).

The measures are the outside of the board, it's around 7-8 cm in the larger formats and around 5 cm in the smaller formats.

Shipping costs will apply depending on which country you live in. When you have seen and approved the scanned portrait sent by mail I will send you payment information. When the payment is confirmed I will ship the portrait to you.
